

BARANGAY UNGKA II

Community Volunteer & Information Management System

Project Name: Barangay Ungka II Community Volunteer System
Version: 1.0 | Date: Sep 18, 2025
Prepared by: Wonder-Pets

1. PROJECT OVERVIEW

The Barangay Ungka II Community Volunteer and Information Management System is a web-based platform designed to help Barangay Ungka II provide community information, services, and volunteer opportunities in a faster and more organized way. The system connects residents, barangay officials, and administrators through one centralized platform.
